PROCEDURES

Upon arrival on the property, locate the correct building (eg: A, D or H). You may park in the covered garage parking in your building, but you access the suite from the outside door upstairs.

ARRIVAL

Your Suite is fully stocked with household items. Should there be additional item(s) needed, or if any items appear missing, damaged or broken at the time of check-in, at your earliest convenience please contact us at [801-205-3733](tel:801-205-3733)

HOUSEKEEPING

During your stay we request that you respect the property and keep it in good condition. To keep the unit clean kindly attend to basic housekeeping tasks, such as washing dishes and doing laundry as needed. Each Suite has a dishwasher and a washer and dryer. Please also regularly discard trash. Additional maid service is available upon request and for a fee.

DEPARTURE

At the time of departure, checking-out is as simple as checking-in: simply pack all of your belongings and tidy up as best as possible. When you're ready to depart, just exit the Suite and close and lock the door. Your check-out is complete.

CHECK-IN/CHECK-OUT TIME

Please note that check-in is any time after 3:00 pm. Check-out is at 10:00 am. These times are enforced and any changes require prior approval. If you are still in your suite after 10:30am, you will be charged for an additional day as it prevents our housekeeping staff from being able to prepare the room for the next guest's arrival. Please call at least 24 hours in advance to schedule payment for a late check-out.

ALTERNATE PLANS

Although we do our best to meet all requests, we urge you to make your request as soon as possible. Should your plans or flight times change unexpectedly and you arrive earlier than anticipated or depart later than planned, please do not hesitate to contact us and we will do everything we can to ensure a wonderful stay and a fabulous vacation.
